## UPDATE

### ACUITY ADJUSTED RATES SCHEDULED TO BE RELEASED

DHS says that the initial Medicaid acuity rate adjustment will use the September 30, 2009 census data and that every nursing facility will receive a detailed analysis of their new acuity based Medicaid rate calculation by December 4th - this Friday!

Please forward to us the rate calculation and any other pertinent information that you receive. It is important that we verify the state's calculations as quickly as possible due to the scheduled public hearing the week of December 14th.

If you have any questions, please feel free to call me or your LGC&D representative.
